### **Your Color, Your Style**

Confident Whites have many advantages as paint color choices. These colors are livable, flexible, and classic. No matter the decorating style, an off-white backdrop is the ideal way to achieve your personal look.

### **Naturally Appealing**

Confident Whites create a canvas that highlights the best features of a room. These colors are the perfect way to bring attention to important design elements, floors, trim, and moldings.

### **Decorating Flexibility**

Working within the collection, you're able to change style & design in any way you want. The variety of tones & shades allows you to create a modern & classic design with the timeless look that impresses.

### **Set the Stage to Sell**

Natural, airy, soft colors make it easier for potential buyers to imagine themselves living in a space because the colors fit a wide array of tastes. Our palette is easy on the eyes, doesn't distract, and pairs well with popular super white trim & color accents too.
