OUR STORY

McCormick Paints
PAINT THE PROS USE

Deliver a Great Customer Experience

In 1960, McCormick Paints was founded by Thomas P. McCormick by delivering a great customer experience, leadership, and passion for quality paint products and services. Now over 65 years later, McCormick Paints has grown into the largest family-owned paint manufacturer in the Mid-Atlantic.

Ever Growing Passion

Today, three generations of the McCormick Family and a team of employees are proud to carry on a legacy which is evident in each and every surface protected & beautified with McCormick Paints. As a team, we stay dedicated to our mission – including our clients, company, environment, and community.

Always Listening

The McCormick team has always valued the viewpoints of our customers. As the demands for quality paints increased, McCormick Paints built a state-of-the-art, zero-waste manufacturing facility, and research & development lab in Frederick, MD in 1994.

Leadership & Innovation

McCormick Paints is committed to being leaders for color inspiration, expert advice, and developing innovative products that have been quietly outperforming the competition in test after test.

Continuous Improvement

McCormick Paints is consistently seeking cutting-edge opportunities to add value to our customers. That's why we launched Paint Dash, the revolutionary free same-day delivery service.

MANUFACTURING & DISTRIBUTION

McCormick Paints
PAINT THE PROS USE

Certified Products

Exceeding industry standards with products certified by Green Wise, LEED, and MPI.

Custom Batching

10-15 business day turnaround, producing between 200 - 5,000 gallons at a time.

RESPONSIBLE MANUFACTURING Green is more than a color. McCormick Paints remains a steward of the environment setting the standard for responsible manufacturing, waste elimination, and product development.

OUR ZERO-WASTE FACILITIES

- Reuse Wastewater • Implement Air Filtration System
- Recycle Paper Products, Plastic, Aluminum & Other Raw Materials

One Stop Shop

Not only do we manufacture our lines of paint, but we carry the most well-known brands for all your painting needs. Our 40,000 sq. ft. warehouse stocks over 5,000 SKUs, delivered through our unique logistics system. If you need it, we can get it.
